### ***What your sponsorship means to us...***

The support the TBFC receives through sponsorship is invaluable!

Your generosity both financial and in-kind enables us to maintain and improve our facilities.

The 2017 season saw the upgrade of our kitchen and public toilets, installation of new blinds in the clubrooms and the completion of the clubroom bar renovation.

In 2018 our focus is to complete a long overdue renovation on the oval bar/bbq area.

Without your sponsorship these projects would not be possible.

Every sponsorship dollar makes a difference and in turn contributes to the success of the TBFC

## News from our President & Senior Coach....

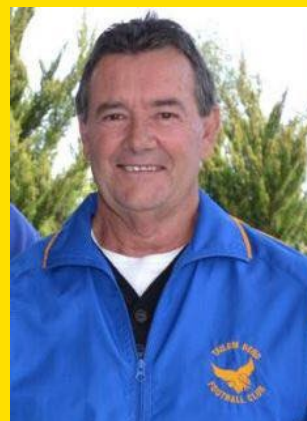

**President- Tony Hughes**

I am extremely proud to have been elected as the President of the TBFC for the 2018 season. I have been involved with the club for 25 Years as a player and have served on the committee in various roles for the past 17 years. If feel that taking on the presidents role is the next logical step.

I am a passionate Taillem Bend person who is proud to be associated with the Taillem Bend Football Club. We are a family club who is welcoming to all and we represent the wonderful and wider community of Taillem Bend.

I would like to thank you for taking the time to consider our proposal. We look forward to a long and successful relationship which is beneficial to both parties.

With your support the TBFC can prosper and thrive.

**League Coach - Gary Peach**

After a vast improvement in 2017, I am optimistic that we can improve even more in the forthcoming 2018 season. Our main priority is to compete in finals, something that hasn't been achieved by our club in a number of years.

We have recruited well in the off season to name a couple of the players, we welcome Jake Ferraro and Ben Crate. Jake, a left foot utility player that can play in a variety of positions and Ben, a 6 ft inside onballer—a very tough one at that!

As our club always does, lets embrace them, they are likeable young men who will compliment our on field performances.

Success will not come from relying on our recruits alone, it will come from the generic growth of our young local boys and our older mature warriors. What I see on the training track so far is a more dedicated, passionate group of players that seem to be more intense in their training drills.

I know they are all looking forward to a successful 2018 season.
